SHUBHAM GHOSH

WEB DEVELOPER
GRAPHIC DESIGNER

Introduction

I am a Web Developer and also a Graphic Designer. I recently passed my Diploma in Computer Science and Technology course from BBIT college. Apart from my web development and graphic design skills, I think I have a great learning attitude which helps me to continuously learning new things.

Experience

I don't have any work experience in any company now, but I think I have enough knowledge and skills to start with.

Skill

Front End : HTML, CSS, JavaScript, SCSS, Bootstrap React, Material-UI

Back End : I am not 100% knowledgeable in it, but I have quite a bit of experience in working with these below technologies - Node.js, express, mongoDB

Graphic Design : According to me, graphic design is an art, Softwares are just some tools to represent that art. And the tools that I use - Photoshop, illustrator, Xd, Premier Pro, AfterEffect, Blender
